

“(8) The term ‘coordinated youth services’ means a comprehensive service delivery system, separate from the system of juvenile justice (which encompasses agencies such as the juvenile courts, law enforcement agencies, and detention facilities) for providing youth services to an individual who is in danger of becoming delinquent and to his family in a manner designed to—

“(a) facilitate accessibility to and utilization of all appropriate youth services provided within the geographic area served by such system by any public or private agency or organization, which desires to provide such services through such system;

“(b) identify the need for youth services not currently provided in the geographic area covered by such system, and, where appropriate, provide such services through such system;

“(c) make the most effective use of youth services in meeting the needs of young people who are in danger of becoming delinquent, and their families;

“(d) use available resources efficiently and with a minimum of duplication in order to achieve the purposes of this Act; and

“(e) identify the types and profiles of individual youths who are to be served by such a comprehensive system.

“(9) The term ‘local educational agency’ means a public board of education or other public authority legally constituted within a State for either administrative control or direction of, or to perform a service function for, public elementary or secondary schools in a city, county, township, school district, or other political subdivision of a State, or such combination of school districts or counties as are recognized in a State as an administrative agency for its public elementary or secondary schools.”

SEC. 2. The title of such Act is amended to read as follows: “An Act to assist elementary and secondary schools, community agencies, and other public and nonprofit private agencies to prevent juvenile delinquency, and for other purposes.”

SEC. 3. The amendments made by sections 1 and 2 of this Act shall be effective July 1, 1972.
