Subject: Aircraft Mishap Reporting Answering Service

Area of Concern: Mishap Reporting

Discussion: The Department Interior Operations Center (IOC) has assumed the responsibility for the DOI /USFS Aviation Mishap Hotline from the contracted answering service. The hotline, 888-464-7427 (888-4MISHAP), is the number to call to report an aviation accident, mishap or overdue aircraft. The person answering the phone may respond with “DOI Operations Center” but all you need to do is inform them that you are reporting an aircraft mishap.

The procedures for the call will remain the same and should be transparent to the caller.

Should you experience any problems with the reaching the IOC, please call the OAS Aviation Safety, Training and Program Evaluation Division at 208-433-5072 / 5073 or the USFS at 208-387-5614 / 5285.
